

Show and Tell 2022-2023

Dear Parents,

Welcome to Northstar 4 year old Pre-school. Your child's first day of school is **Wednesday Sept. 7th 2022**. The 4 year old teachers are looking forward to a fun filled school year. Please check your child's bin daily for any updates and notices. Show N Tell lists will be posted outside your child's classroom door after the first week. **All show-n-tell objects should correlate with the letter of the week.** Please help the teacher by encouraging your child to use the bathroom before dropping them off to their classroom. Our day will go smoother when focus is uninterrupted. **Velcro shoes are highly recommended unless your child already knows how to tie his/her shoes independently.**
