

Dear Parents,

Welcome to Northstar's Preschool Program! The 4's teachers are looking forward to a fun filled school year! To ensure a smooth transition please stop by the restroom before dropping your child off at class and send your child to school in shoes they can put on/take off themselves.

Check your child's backpack daily for seatwork. Look over it with your child; reinforcement goes a long way. Label your child's belongings (lunchbox, water bottle, blanket) so they don't get mixed up with others. Show and Tell lists will be posted outside your child's classroom (Show-and-tell objects should correlate with the letter of the week).

► **Download My Procure App. Make sure you are signing your child IN and OUT each day.** You will also be able to message your teacher directly, receive Monthly Newsletters and important reminders.
