

Dear Parents,

Welcome to Northstar 4 year old Pre-school. Your child's first day of school is Wednesday Sept. 6th; the 4 year old teachers are looking forward to a fun filled school year. Please check your child's backpack and bin daily for any seatwork or notices. Show and Tell lists will be posted outside your child's classroom door after the first week (Show-and-tell objects should correlate with the letter of the week). Please help the teacher by stopping at the bathroom with your child before dropping them off and using Velcro shoes.
